BAR TOUR GAMES

Texas Hold 'Em Tournament: Back by popular demand! Collect playing cards from SEVEN or more bar tour locations and have one of the five best poker hands to win great prizes! Volunteers at each location you visit will let you pick ONE playing card from a shuffled deck and will place a sticker on this map accordingly. Show your game card to the volunteers at **The Boot** at 9:00 PM to see if you've got a winning hand.

Bar Tour Bingo: Visit all participating locations on the bar tour and receive a prize! Volunteers at each location will place a sticker on this map indicating you visited that stop. Prizes can be claimed at **The Boot** starting at 8:00 PM while supplies last.

50/50 Cash Raffle: Win back your bar tab! The winner takes home half of the money from ticket sales (the other half goes directly to the Make-A-Wish Foundation). Raffle tickets will be sold at **The Taphouse Grill** during registration as well as at **The Boot** before the closing ceremony where the winning ticket will be pulled from the raffle box.

Prize Raffle - Win cool prizes! All participants are automatically entered to win non-cash raffle prizes. Stop by **The Boot** after 8:00 PM and check the information posted outside to see if the number on your wristband matches the ones we randomly pulled from the raffle box.
